

Legal

Over the course of an eight-week paid internship in the summer of 2022, Emerson Collective will catalyze an extraordinary and talented group of college students through mentorship, enriching programs, and meaningful work experience.

Interns for the EC Internship will work out of the Emerson Collective offices in Palo Alto, California or Washington, D.C., with some exceptions for a small number of teams. Interns work across teams on a wide range of issues. Summer interns will also participate in weekly programming designed to develop leadership capacity and build professional networks.

Scope

The Legal Team provides legal support for internal projects, external partnerships, and investments. A summer internship on the Legal Team provides experience in detail-oriented administrative functions, and the opportunity to work alongside a team that supports the entire organization. Legal Interns should demonstrate interest in a wide range of legal topics (corporate law, investments, nonprofit law, real estate, intellectual property, and employment law). Legal interns will contribute to several projects simultaneously across multiple areas of law – including projects that involve drafting and reviewing contracts and investment documents, preparation of summary memos, thorough contract management and administrative support, general paralegal support, lease review, and research on various legal matters. Qualified candidates must be eager to advance their understanding of nuanced legal frameworks and be willing to dedicate time-intensive effort into our projects. Legal interns must further exhibit keen judgement, a proactive attitude, adaptability in a fast-paced and ever-changing environment, and superior time management skills. Experience with paralegal support and contract management will be advantageous. Legal interns will encounter sensitive information and are therefore expected to maintain a high degree of professional confidentiality inside and outside of the organization. The Legal interns will work at Emerson Collective Offices in Palo Alto

Qualifications
