

Venture Investing: Portfolio

Support

Over the course of an eight-week paid internship in the summer of 2022, Emerson Collective will catalyze an extraordinary and talented group of college students through mentorship, enriching programs, and meaningful work experience.

Interns for the EC Internship will work out of the Emerson Collective offices in Palo Alto, California or Washington, D.C., with some exceptions for a small number of teams.

Interns work across teams on a wide range of issues. Summer interns will also participate in weekly programming designed to develop leadership capacity and build professional networks.

Scope

**This is a 6-month internship running from June 13, 2022, to December 17, 2022. The summer portion will align with the ECYC program and 40 hours per week is expected during this 8-week period. Fall hours are more flexible with a minimum commitment of 10 hours per week.*

The Venture Investing team invests in mission-driven leaders, building technology companies that are creating innovative solutions to the world's biggest problems. The companies are at the intersection of positive financial returns and scalable long-term social impact. We invest in the following sectors and more: financial technology, digital health, oncology, climate and sustainability, education technology, the future of work, and digital media.

The Portfolio Support group partners with Emerson Collective's portfolio companies by building out services to help them achieve impact at scale and grow their enterprise value. The Portfolio Support intern will collaborate with other Venture team members and cross-functionally across Emerson Collective, and will help Emerson Collective's portfolio companies through an assortment of projects that span multiple sectors and topics that include, but are not limited to:

- Event planning and community building geared towards our CEOs and founders
- Content creation and website development, such as DEI resources and weekly CEO newsletters
- Data entry and analysis related to impact, growth, and more
- Building presentations and decks

Past Portfolio Support intern projects have included researching Environment, Social, and Governance (ESG) metrics, editing content for and helping to design our DEI website, salesforce data entry, survey analysis, and partnering with portfolio companies on high priority projects, like go-to-market expansion. We are seeking individuals who are detail oriented, have experience with qualitative research and data analysis, can organize information in a coherent way, are comfortable with working iteratively, and are strong writers. Simple quantitative data analysis experience is a plus, along with Excel and Keynote experience. Venture investing interns will learn how to use our systems and tools. Rising juniors or seniors are strongly preferred.

The Venture Investments Portfolio Support intern will work at Emerson Collective offices in San Francisco and/or Palo Alto.
